## About Art Petty

Art is a multi-decade software industry executive and a popular leadership and management author. After guiding multiple software firms to positions of market leadership as a senior strategy and marketing executive, Art now serves clients as a management team and executive coach. Additionally, he is an active keynote and workshop presenter and regularly serves as a graduate management educator at DePaul University in Chicago, IL.

Art's practical and powerful business guidance is reflected in his highly ranked Management Excellence blog and in his popular Leadership Caffeine posts (regularly featured in *SmartBrief on Leadership*, *Information Management*, *ProjectManager.com*, *Government News* blogs and many others. Art's two books, *Practical Lessons in Leadership* (with Rich Petro) and *Leadership Caffeine—Ideas to Energize Your Professional Development* have been used as key resources in leadership programs for organizations in manufacturing, law enforcement, software and technology and units within the U.S. Army.

Whether serving as an educator, coach, executive or speaker, Art's passionate and no-nonsense guidance for navigating strategy, driving change and promoting organizational health through values-centered leadership is widely regarded. From presenting highly rated leadership programs at The Data Warehouse Institute to delivering keynotes and programs to corporate clients such as IBM, Best Buy and various associations in higher education, banking, marketing and law enforcement, Art's passion for great leadership and management practices and practical advice
